Re: rippleworks

Sure - I had to get the download as well this morning from Peter on all the history. When Rippleworks was set up, it was set up with a promise of a [REDACTED] XRP donation - [REDACTED] XRP coming from Chris personally and [REDACTED] from Ripple (as a match to Chris' donation). [REDACTED]
[REDACTED]

To date, only [REDACTED] of XRP out of the [REDACTED] has been transferred to Rippleworks. Chris is now looking to transfer another [REDACTED] XRP to RW. [REDACTED]

Hey [REDACTED]

Caught up with Patrick tonight on a few things and he mentioned that "we" are giving Rippleworks [REDACTED] XRP?

Before asking Chris about this - I just wanted to get the update from you on what your understanding is on all things Rippleworks?

Thanks,

Brad
